

TONY LANTE PHOTOGRAPHY & CINEMATOGRAPHY

My team and I have photographed 300+ weddings, and learned how to capture the magic that you can enjoy for decades from now. I believe happiness can be delivered through the pictures we capture. My goal is to provide you with professionalism, creativity and quality. Whether you're having a large weekend celebration or you're looking for to capture meaningful moments down at city hall. I believe that wedding photography is a vision that is not only created by a photographer but by our clients as well. Therefore we seek to establish a strong personal connection with all of our clients and give the best images with our distinguished photography style.
