Fun Photo Entertainment

Your event is a once-in-a-lifetime moment - let's knock it out of the Park!

We are Kathee and Anthony Italico, a couple of characters who happen to be married to each other who love to have fun and enjoy seeing others have fun, too. We started Fun Photo Entertainment in 2009 with a camera, a printer, a huge box of wacky props and a ginormous dream. From our humble beginnings at our first-ever party with 100 guests, to having a fleet of photo booths and entertaining over 1500 guests at grand New Year's Eve events, we've thoroughly enjoyed the journey and each celebration along the way. Our business is family owned and operated and a member of the Italico family is at every event we serve. No event is too big or too small - we love them all!
